"Do The Next Right Thing"

Around Christmas time my granddaughter, Peyton, and I went to see Frozen 2. The people at Arnold, Walker, Arnold Accounting provide their clients with a family movie day each year. How cool. Movie, popcorn & drink. It has been a tradition for me to take Peyton and perhaps next year we'll add Paige or even Keller. (Had to get them all in!) Peyton accused me of asking too many questions during the movie, but that is only because I had never seen Frozen 1. But while we were watching the movie, Anna, one of the main characters, is in a dark, depressed state when she sings a song entitled, "**Do the Next Right Thing**". I loved the lyrics and the sentiment. Here are the lyrics:

*I've seen dark before, but not like this. This is cold, this is empty, this is numb
The life I knew is over; the lights are out. Hello darkness: I'm ready to succumb
I follow you around (I always have), But you've gone to a place I cannot find
This grief has a gravity, it pulls me down; But a tiny voice whispers in my mind
You are lost, hope is gone, But you must go on
And do the next right thing*

*Can there be a day beyond this night; I don't know anymore what is true
I can't find my direction; I'm all alone, The only star that guided me was you
How to rise from the floor, When it's not you I'm rising for
**Just do the next right thing. Take a step, step again
It is all that I can to do: The next right thing***

*I won't look too far ahead, It's too much for me to take
But break it down to this next breath, this next step, **This next choice is one that I can make.***

*So I'll walk through this night, Stumbling blindly toward the light
And do the next right thing
And with the dawn what comes then? When it's clear that everything will never be the same again
**Then I'll make the choice to hear that voice
And do the next right thing.***

Not a bad metaphor for life. Sometimes we find ourselves in difficult situations. Times where we are confused, frustrated, beaten down by the trials and tribulations of life. Times where we often cannot see with clarity the blessings that are ahead. In those times, perhaps all we can do is, "**do the next right thing.**"
