**Fellowship in a Family Life Group**

The word in the classical new Greek for fellowship is *κοινωνία*. The definition of fellowship is association, community, communion, joint participation, as well as intimacy (blueletterbible). In other words, what we have in common as a community of believers is our fellowship with one another through Christ.

1. John 1:1-7 uses the word fellowship four times. "That which was from the beginning, which we have heard, which we have seen with our eyes, which we have looked at and our hands have touched—this we proclaim concerning the Word of life. 2. The life appeared; we have seen it and testify to it, and we proclaim to you the eternal life, which was with the Father and has appeared to us. 3. We proclaim to you what we have seen and heard, so that you also may have fellowship with us. And our fellowship is with the Father and with his Son, Jesus Christ. 4. We write this to make our [a] joy complete. 5. This is the message we have heard from him and declare to you: God is light; in him there is no darkness at all. 6. If we claim to have fellowship with him and yet walk in the darkness, we lie and do not live out the truth. 7. But if we walk in the light, as he is in the light, we have fellowship with one another, and the blood of Jesus, his Son, purifies us from all[b] sin." (NIV)

We know and understand from Acts two that the early church spent time together in fellowship with one another. Acts 2:42 states "42 They devoted themselves to the apostles' teaching and to fellowship, to the breaking of bread and to prayer." The goal of the Family Life Group is to help us grow in our intimacy with one another as we share what we have in common through Jesus Christ.

We would like to encourage our brothers and sisters in Christ to pray for the Family Life Groups and participate in these times of fellowship with one another spiritually. With that being said, you may be thinking how this will be accomplished in the groups. There are three things we believe very important in accomplishing this goal. Those three are listed below:

1. Share time together in getting to know each other.
2. Pray for one another.
3. Learn together through God's Word.

Our Fellowship is based upon these three aspects as we meet together on the third Sunday evening of each month. We would also like to note that we are thankful for those who will host a family group at their house. A note to all of us, the hosts receiving a family life group in their home is not responsible for a meal. In this way we can all take advantage of the time together in fulfilling the three aspects of the Family Life Group time. We don't anyone feeling like a Martha (Luke 10:41-42) in this time of fellowship.

The first opportunity to participate in the Family Life Group's will be this Sunday. Be praying for the people encountered on your list in your group, and pray for all of the groups that we may accomplish the goals of growing closer to one another and inviting friends and family in our community. The facilitators of the group are fired up and are looking forward to this opportunity to serve. The definition of fellowship in Family Life Group's is to share, pray, and learn together. God bless and Keep fired up!
