CHURCH FAMILY DAY

Be praying for our church family day at Daingerfield State Park on the 5th of October. This will be a great time of fellowship for all of us together. We will be able to fellowship in various ways on this day and let us make the most of this opportunity with your church family.

An opportunity to grow in God's Word together. Tim and I will be speaking on the theme of "Getting our ducks in a row", which really means learning to set our priorities and how to make it happen in our lives as individuals and as a church family. Bring your Bible and let's look forward to discussing God's Word together.

An opportunity to praise our Lord in song. May we come together to be edified in songs to the Lord as we sing with all of our heart, soul, mind, and strength to our Lord who is worthy. Songs teach us, lift us up, touch our hearts and minds, and help us meditate on our great and awesome God and His Word.

An opportunity to enjoy eating together. Generally when we hear the word fellowship eating is one of the first things that comes to our mind. Not only eating, but the opportunity to talk and encourage one another over a meal together. The hamburgers and hot dogs with the fixings' will be available; so let's enjoy time at the table. You can bring desserts and snacks.

An opportunity to enjoy God's creation. We have so many visitors that have worshipped with us over the years as they were enjoying time at Daingerfield state park. Let us enjoy the time and beauty of God's creation together at the park as well. We also will have games available to those who would like to play.

An opportunity to pray and get to know one another better. Your presence is so important. We may already pray for each other, but Lord help us to get to know one another better. Being in the presence of the Almighty praying for our church family is vital to our future.

Opportunities come and go. Please consider not missing out on this opportunity with your church family. The sign up sheet will be in the foyer until Sunday evening. Keep fired up and hope to see you there, Mark White

WEDNESDAY EVENINGS

God has been blessing the Wednesday evening opportunities to serve. In just three opportunities so far the Lord has blessed us with the opportunity of up to 29 visits, 150 cards written, and 29 phone calls along with some service projects. The participation has been great. In fact, 14 people have had the opportunity to participate that were not able to participate on Tuesdays along with others who continue serving as they did on Tuesday nights. I would like to encourage you on Wednesdays to stop by the table and see what opportunities are available to serve. God bless you all in the Lord and Keep fired up! Mark White
