Hope to see you!

Again therefore **Jesus** spoke to them, saying,

I am the light of the world;

he who follows Me shall by no means walk in darkness, but shall have the light of life.

NEW BUS

This week we had our new 14 passenger bus delivered. Our old one had seen better days and the A/C was almost impossible to get repaired. We were able to purchase the new one with mostly special contributions and proceeds from selling the old one. We hope and pray that this will be a blessing for many years to come.

WEDNESDAY NIGHT SPEAKER

Next Wednesday, November, 17, Jim McNiece from Christian Homes & Family Services will be here to speak on the work that is going on at the Children's Home we help support. This will be immediately following Wednesday night classes in the auditorium.

DEACON ADDITIONS

After much prayer and consideration of the areas that need addressing, the Elders are putting forward four men to be considered as Deacons for our church family. They are Austin Niblett, Jeremy Phillips, Mark White & Corey Yarbrough. Each of these has agreed to serve. If you know of any scriptural reason why any of these men should not serve, please see one of the Elders. We hope to officially install them on Sunday, November 14. Please keep these men and their families in your prayers as they assume their responsibilities.

FASHION POLICE

Fashion is commonly defined as a current trend of popularity. Most often we think of "fashion" in reference to items such as clothing, footwear, hair styles, make-up and accessories. As Christians we want to always dress appropriately, keeping in mind what is popular or fashionable is not always appropriate in professing examples of modesty and purity in our lives. Fathers/Husbands we must be aware that the clothing we wear, hair styles, make-up, jewelry and others personal accessories have an effect in our family's attitudes and in the image they (we) portray to others.

Fashion can also refer to the places we go as well as the activities we are involved in. There are obvious places we would not allow our families to go. However we must use caution in allowing our families to go to seemingly harmless popular places such as theaters, parties, concerts and even some school sponsored events. We must be aware that many activities, though popular or fashionable, are also inappropriate for Christians to be involved. We must never compromise what is right for the sake of being fashionable or popular.

Let's consider Joshua's question to the men of Israel and His example of leadership in choosing what is best/right for his family. "And if it seem evil unto you to serve the Lord, choose you this day whom ye will serve; whether the gods which your fathers served that were on the other side of the flood, or the gods of the Amorites, in whose land ye dwell: but as for me and my house, we will serve the Lord" (Joshua 24:15).

Fathers/Husbands you must lead your families in ways that are fashioned (planned and made) according to God's will and not according to what is fashionable (currently popular and acceptable) to the world. God has given you the responsibility to lead your family, to love your wife and children, to bring them up in the nurture and admonition of the Lord. So the next time someone asks you, "Who are you, the Fashion Police?" proudly stand up and say "YES I AM!"
