"Special Contribution"

Our members should have received a letter this week from the Elders explaining the situation with our roof replacement. The total cost is \$137,000. We have paid half of that from our regular checking account and the roofers begin work this week. When they finish, we will need to pay the remaining amount. At present, we do not have the \$68,000 due.

We are taking up a special contribution on Sunday, November 17 to be used toward the balance due. We will need to secure a loan for the remainder. It has been a long time since this congregation was in debt and we would like to see that debt be as little as possible.

We also rarely take up special contributions. We are mindful of the giving and selfless spirit of our church family and we never want to take that for granted. However, this is the situation in which we find ourselves.

Please be in prayerful thought as to if, and how much you could contribute. We certainly understand those who are simply unable to give more than they are already doing. But we also know there are others who could.

Again, we appreciate all that so many of you do to contribute to serving the Lord through your financial support. May He continue to bless this church family as we serve Him.

-Tim
