Number 42

May we always come with all of our heart, mind, soul, and strength ready to worship our great and awesome God as a body on the first day of the week. Hebrews says we are to spur one another on and that we should make meeting together a priority. Why? Because we could fall in the habit of not coming. We know that is a habit we do not want to

create in our lives. The writer of Hebrews says in 10:25 "...not giving up meeting together, as some are in the habit of doing, but encouraging one another—and all the more as you see the Day approaching." May we be about creating good habits not only for ourselves, but also the people around us. Let us be ready then to come this Sunday to worship and encourage one another as we continue to walk in Christ daily waiting for the Day of His coming. "...Amen. Come. Lord Jesus. The grace of the Lord Jesus be with God's people. Amen." Revelation 22:20-21 Keep Fired Up in the Lord, Mark.

God bless your Family Life Groups this Sunday. This will be the last meeting of the year for the groups until January. We continue praying to the Lord for this ministry. We are thankful for the oversight of the elders, those who have been facilitating the groups, those who have opened up their homes, and for those who have participated in these groups.

One of the primary goals for this year of the groups was to grow closer together in the "one-another" passages in the Word of God. Praise God on one level they have grown in their relationships and even got to know others who may even sit far from them on Sunday. Some have gotten to know each other well and also want the opportunity to have this closeness with others. Continue praying as we evaluate this ministry and pray for the Lord's will to be done. We are thinking of ways for groups to get to know each other and would like your input. Please feel free to talk to the elders, Mark, or one of the groups facilitators with any ideas you may have. There will be more coming up in regards to groups after the last meeting you will be having for the year. Take time to talk in your Family Life Group about the year and what has been good and what you think could make it better. Once again, God bless!
