“Children’s Ministry”

Jesus once told his disciples, “Let the little children come to me.” (Matthew 19:14). Our children are our most important possessions. They are the future of the church and we have a responsibility as parents, grandparents and as a church to provide for them a foundation of faith and Christian fellowship. This has always been important, but it is even more important today. Our children are growing up in a world that is increasingly antagonistic toward God, His word and His values.

Recently, Erin Shumate approached the Elders with the idea of organizing a more comprehensive children’s program. She has several ideas, many suggested by others, that would help encourage our young families and provide activities for our children beyond the normal Bible classes. We appreciate Erin and her passion and desire for children. We have given her this responsibility and are confident that she will do a good job.

However, she cannot do it on her own. We have so many talented, equally passionate and qualified individuals who can help her in this endeavor. We encourage you to provide your input and energy to this important program.

There will be a very important meeting on **Saturday, September 23, at 10:00AM**, to discuss all aspects of this ministry. We want to encourage all of our children’s teacher past and present and those interested in getting involved in children’s ministry activities to be present. Lots will be discussed and your input is invaluable.

We appreciate all of you who are so dedicated and committed to instilling in our children a lasting faith in God.
