**Lessons in 1 John Beginning this Sunday!**

This Sunday morning we will begin a series of lessons from the letter we call 1 John. Written nearly 2,000 years ago, this letter is rich in teachings that are relevant and applicable to our lives today. This alone is a testimony to the inspiration and enduring quality of God's Word. John shares with his readers, and us, lessons on *the deity of Jesus, sin and forgiveness, fellowship with God and each other, light and dark, truth and lies, not loving the world, evidence of true love for God and one another, false teachers and teachings, our heritage and blessings as children of God, and faith as our victory!* There is much more, but these are the highlights.

I encourage you to read 1 John each week. 5 short chapters. Your life and our study will be blessed by doing so.

Hope to see you Sunday!

- Tim
