INTERESTING FACTS ON FATHERS &

FATHER'S DAY

The term "father" occurs some 1,750 times in the Scriptures, in singular, plural and possessive forms. Primarily it is used to refer to literal fathers and to male ancestors. Father was first mentioned in Genesis 2:24.

The first celebration was in the Spokane YMCA on June 19, 1910.

Unlike in the UK and America when Father's Day is on the third Sunday in June, in Australia Father's Day is celebrated on the first Sunday in September.

The necktie is the most popular of all Father's Day gifts, while hammers and golf clubs are also popular.

Father's Day the fifth-largest card-sending occasion in America, with almost 100 million Father's Day cards sent annually.

Famously Mark Twain said the following about his father: "When I was a boy of fourteen, my father was so ignorant I could hardly stand to have the old man around. But when I got to be twenty-one, I was astonished at how much he had learned in seven years".

In the USA Father's Day has been celebrated annually since 1972 when President Richard Nixon signed the public law that made it permanent.

HAPPY FATHER'S DAY TO ALL OF OUR FATHERS!
