Number 17

So for the past several weeks we have been looking at some of the powerful verses in God's Word. However, as we know all of God's Word is powerful. Hebrews 4:12 reminds us that God's Word is "living and active". There are those around us who would question the relevancy of the Bible to the modern world. I believe these people have never actually looked into the message of the scriptures. Loving others as ourselves. Being kind to one another. Forgiveness. Hope for the future. Compassion. Aren't these just some of the characteristics that our world is longing for and in need of today? How much more relevant can the Bible be?

2 Timothy 3:16-17 tells us that "all scripture" is God-breathed and thoroughly, completely, totally, absolutely equips us for the good works God has planned for us. We never have to wonder about what God wants and expects from us. He clearly tells us through His word how to live a godly and righteous life.

But God's Word, while always powerful, is only powerful in my life if I openly and honestly apply it to my life. James tells us to not merely listen to the word, but "do what it says". Jesus said the man who built his house on the rock is like the one hears His words, "and puts them into practice". Knowing the potential power of God's Word is just the first step in accessing that power. We must meditate, ruminate (Karla) and digest the Word. But then we must internalize it, apply it and live it out in our lives.

Praise God for the transformative power of His Word.

- Tim
