“Opportunity to Serve”

A little over 20 years ago we began our Tuesday Night for the Master program. In those years TNFTM has proved to be a blessing in many ways. It has served as an opportunity to make visits, write cards, make phone calls, grade WBS lessons as well as provide a meal and the clean up afterward. There is no way to calculate all the good that has been done through this program.

In recent years, we have lost many of those who served faithfully to ensure the success of TNFTM. Some have passed away and others have moved off. As we are in the early stages of our new TNFTM year, I would like to encourage all our members to prayerfully consider taking part in this time of fellowship and service. There is much to do and everyone can find a place. You can make visits, write cards, make phone calls, serve on a cook crew or help with the clean up. You might even think of other ways that we can use this time to serve.

Just fill out one of the TNFTM cards on Sunday and indicate in which area you would like to serve that week. You can change from week to week and you are not obligated to be there every week. Come when you can. Serve where you are comfortable and able.

As the name implies, we hope and pray that all we do is for the Master and to His glory. This is just one opportunity to our talents to work collectively to serve Him.

TUESDAY NIGHT FOR THE MASTER

We are thankful for TNFTM moments we have together to serve the Lord. Thankful for the forty who were present ready to serve. Thankful for the eight visits, eleven phone calls, and forty cards written. Thankful for the meal preparation crew, the serve and clean up crew, and all those who have answered the call to make sure each one of these areas runs smoothly. It takes a team. We would love to add more team members and invite you to be a part of TNFTM. Each area is looking for new team members and volunteers to help in every facet of TNFTM. May God continue to be praised and glorified through this ministry and may His will be done for the future of TNFTM. We thank the Lord for the many who have been encouraged, comforted, and strengthened through this ministry. Keep Fired Up, Mark.

FAMILY LIFE GROUPS

We are thankful for the many who have participated in the Family Life Groups over this year and may God bless your last FLG meeting in October for this year. Great to see that people are growing in their relationships with one another. Great to see how many have opened their homes to host a Family Life Group. Great to see each group growing in God's Word and prayer for one another and prayers for all the other groups and brothers and sisters in Christ. If you have not had the opportunity to participate in the Family Life Groups over the year; don't let that stop you from participating in October. Every group would be excited to receive you and Lord willing this upcoming year you may be able to attend throughout the year. We are thankful to the elders for watching over this ministry. Thank you to all the FLG groups facilitators who have dedicated their time in prayer and preparation for the groups. May God continue to bless us as we continually grow in Him daily and may our relationship with Him and each other grow stronger even more. God bless and Keep fired up! Mark
